P. O. Krishi Nagar, Akola - 444 104 (M.S.) India

(<http://www.pdkv.ac.in/>; nahepst@gmail.com; pdkvnahep@pdkv.ac.in)

About University

Dr. Panjabrao Deshmukh Krishi Vidyapeeth Akola was established on 20th October, 1969 with its head quarter at Akola. This Agricultural University was named after illustrious son of Vidarbha Dr. Panjabrao Deshmukh, who was the Minister of Agriculture, Govt. of India. The Jurisdiction of this University is spread over the Eleven districts of Vidarbha. According to the University act 1983 of the Government of Maharashtra, the university is entrusted with the responsibility of agricultural education, research and extension. The instructional program at main campus are spread over in five colleges namely, College of Agriculture, College of Agricultural Engineering & Technology, College of Forestry, College of Horticulture and Post Graduate Institute. At this campus 4 degree programs namely B. Sc. (Agri.), B. Sc. (Hort.), B. Sc. (Forestry), and B. Tech. (Agril. Engg.), two master's degree program viz. M. Sc. (Agri.) and M. Tech. (Agril. Engg.) and Doctoral programmes in the faculties of Agriculture and Agril. Engineering are offered.

About NAHEP

Indian Council of Agricultural Research (ICAR), Government of India has taken up the World Bank supported National Agricultural Higher Education Project. The project has been formulated with a focus to improve and sustain quality of higher agricultural education. It aims to produce a globally competitive agricultural human resource capable of developing new technologies and skills for scale up and transfer of new technologies to improve the production system and value addition. Overall, the project aims to develop resources and mechanism for supporting infrastructure, faculty and student advancement and providing means for better governance and management of agricultural universities, so that a holistic model can be developed to raise the standard of current agricultural education system that provides more jobs and is entrepreneurship oriented and at par with global agricultural education standards.

About e-Workshop

The four days National e-workshop on “**Personality and Leadership Development Program for Agroneers**” will take place at online Zoom Cloud Platform during **September 22-25, 2020** sponsored by National Agricultural Higher Education Project supported by Indian Council of Agricultural Research, New Delhi and hosted by NAHEP, Dr. Panjabrao Deshmukh Krishi Vidyapeeth Akola in collaboration with CommuniCare, Pune.

The major objective of this course is to develop the positive changes in the personalities of the students and enlighten them to shape their careers and future life and transform them into responsible human beings.

About CommuniCare, Pune

CommuniCare is Pune-based training and content solutions organization with 18 years of rich experience in the areas of Personality & Leadership Development, Entrepreneurship Development, Corporate Training, Faculty Development, Soft Skills Development, English Language Training for Competitive Examinations, and Technical and Creative Content Creation for the Corporate.

The training modules provided by this organization successfully bridge the gap between current skill of students and expectations of government and private employers and ready them to be successful in all walks of life. Their training programs also lay huge emphasis on developing entrepreneurial capabilities in students and encourage them to start their own ventures and become a part of start-up ecosystem in the country.
